

Global drives & Services

'YOUR DRIVE PARTNER'

Welcome to Global Drives & Services, the top source for high-quality gearboxes, motors, and couplings. Global Drives & Services was established in 2012 with the goal of being a preeminent supplier of industrial materials.

At Global Drives & Services, our objective is to deliver dependable gearbox solutions that exceed our customers' expectations. With over 15 years of experience, our team of experts possesses in-depth knowledge of gearbox technology.

We are delighted to be the authorised distributor for M/s STM Spa (Italy) , M/s Motovario Spa (Italy) , M/s Hindustan Electric Motor, M/s Bharat Bijile Motors and M/s Regal Rexnord. These items are widely used in the industry due to their superior quality and performance. "Quality is at the heart of everything we do".

We stay updated with the latest advancements in the industry to offer cutting-edge solutions to our clients. From standard gearboxes to custom-designed solutions, we offer a comprehensive range of products to meet diverse industrial needs. Our partnerships with leading manufacturers ensure that we deliver top-quality gearboxes and motor that are durable, efficient, and cost-effective.

At Global Drives customer satisfaction is our top priority. We work closely with our clients to understand their specific requirements and tailor our solutions accordingly. Our dedicated support team ensures prompt assistance and ongoing technical support to maximize customer success.

The company takes pride in its unwavering commitment to on-time delivery and happiness and satisfaction of its customer every time.

Ready to experience the difference with Global Drives and Services? Contact us today to learn more about our gearbox solutions or request a personalized quote. We look forward to partnering with you for all your gearbox needs.

STM is one of the leading power transmission company which provides industrial gearboxes and motors.

STM has very vast experience in the power transmission field. It has been manufacturing micro gearboxes to heavy duty gearboxes with premium quality.

O Series

Type : Bevel Helical (Standard, Skew)
Gear Reducers & Gear Motors

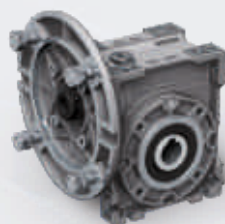

P Series

Type : Parallel (Standard, Long Shaft Mounting) Gear Reducers & Gear Motors

A Series

Type : Inline Helical Gear Reducers
and Gear Motors

U Series

Type : Universal Worm Gear
Reducers & Gear Motors

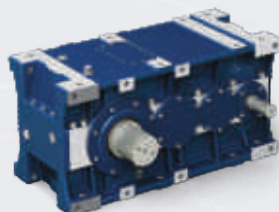

R Series

Type : Worm, Double Worm, Helical Worm
Gear Reducer & Gear Motors

RXP Series

Type : Universal Parallel Shaft
Gear Reducers & Gear Motors

RXO Series

Type : Universal Bevel Helical
Gear Reducers & Gear Motors

Application Gearbox : Type : Cooling Tower, Extruder Gearbox Mixer Gearbox

EX Series

Type : Planetary Gear Reducer & Gear Motor
(Co-axial and right angle shaft)

TM Series

Type : Asynchronous Three Phase Motors,
Brake Motors, Electronic Speed Variators

Hindustan Motors Mfg. Co. is one of the leading Electric Motors Manufacturers in India having ISO 9001 Certification. Hindustan Motors have been experience of over more than 28 years in Design, Development and Manufacturing of Electric Motors. Hindustan Electric Motor Manufacturing Co. caters the need of Machine Tools, Blowers and Fans, Air-Conditioners, Compressors, Material Handling Equipment, Cranes and Hoist, Textile Machinery, Cement Plant, Pharmaceutical Machinery, Packaging Machinery, Construction Equipment, General Engineering Applications and wide range of Applications.

Brake Motors

Cooling Tower Motors

Crane Duty Motors

Bharat Bijlee

Established in 1946, Bharat Bijlee has evolved from a pioneer in electrical engineering in India to one of the most trusted names in the industry today. Our product portfolio includes power transformers, electrical projects, induction motors, AC and DC drive systems and gearless machines for elevators. We provide specialized solutions to a wide range of industrial and utility markets. Our plant near Mumbai and our extensive network of sales and service offices are integrated by enterprise-wide management and information systems. Our Projects division provides a wide range of services related to the distribution and utilization of electric power. With the experience of over three decades and over a hundred EHV/HV electrical projects, we have the skills to execute large turnkey contracts within the most demanding completion schedules.

Flange Mounting Motor

Flame Proof Motors

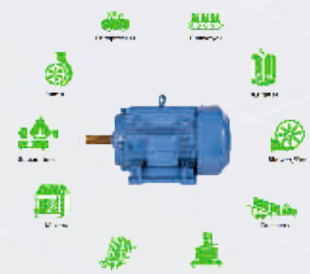

Brake Motors

Crane Duty Motors

Flame Proof Motors

Motovario specializes in the production of mechanical speed variators, helical and helical bevel gear reducers, shaft mounted, worm gear reducers, electric motors and motoinventers. Unique at the motovario is having own heat treatment plant, an essential element to assure and full control of the gear manufacturing process. Motovario solutions are reliable, sturdy and flexible for the global market.

Helical Gear Reducers

Helical Bevel Gear Reducers

Shaft Mounted Gear Reducers

Planetary Gear Reducers

Worm Gear Reducers

Mid Heavy Duty Gear Reducers

RegalRexnord

Rexnord is a largest company in power transmission field with high performance. Rexnord delivering products like Bearings, Couplings, Industrial chains and more . High-quality, reliable and rugged Rexnord Gear Drives are installed in the world's most challenging applications. More than 100 years of experience, a full product line, technical support and local service allow for maximum performance and the lowest total cost of ownership.

Rexnord has joined to EurofleEuroflex,India Euroflex is a joint venture with Euroflex Transmissions Limited of the U.K., specializing in the field of design, manufacture of High Performance Flexible Disc Couplings for applications in Gas Turbines, Steam Turbines, Turbo compressors, Boiler Feed Pumps, etc. The manufacturing facility in Hyderabad, India coupled with ISO 9001 certification, bears testimony to our continued commitment to quality and reliability, as designers and manufacturers of these couplings for high power and high speed applications.

- Gear Couplings
- Grid Couplings
- Fluid Couplings
- Wraflex Couplings
- Elastomeric Couplings
- Adax Couplings
- Euroflex Disc Couplings
- Auto Guard Torque Limiter
- Locking Assemblies
- Cardan Shafts
